

## Led Lighting Apparatus

The adjustable ultra bright led apparatus is ideal for low-light environments. Super bright led bulbs help you see in dark places while keeping your hands free for other tasks. Perfect for indoor environment, construction, do-it-yourself work. It shines the light exactly where you need it, without leaving any dark spots.

Thanks to its clip that can be attached to the glasses handle, it is suitable for use with many Starline glasses. There are two led bulbs in each apparatus. It has a button to open and close the edges. On each apparatus there are on / off switches that are easy to use.
